

In whatever part of the legal industry you find yourself, you are dealing with a lot of challenges – finding the right research partner shouldn't be one of them. Recruiting is where L&E shines, and recruiting for your mock trial research is one of our specialties.

DEDICATED LEGAL RESEARCH TEAM

Whether you're conducting regional or single-district events, L&E's dedicated and experienced Legal Research Team is here to support you. L&E provides general consumer population recruiting services, including complex quota management. Legal research can be conducted virtually, or in-person at one of our research facilities, including a customizable room arrangement for presentations and deliberations.
